By 1965 products from oil refinery operations and natural gas will be used in as much as 50 per cent of the national production of chemicals of all kinds.

### SELECTMEN'S MEETING APRIL 16

During this meeting of the board of selectmen, much time was given over to discussing the new ambulance which will be purchased by the town very soon. It was stated that a "high pressure" campaign is being put on by various dealers and Mr. Courtney objected to the selectmen being brought into the "deal" at all. Chief Boudreau had requested that the members of the board visit the fire station during this meeting to compare the merits of a Miller Cadillac which was at the station to the Chrysler which had been previously demonstrated. Mr. DeFelice stated that he didn't think the purchase of the new vehicle was of any of the fire chief's business, nor he continued is it any of ours, the decision rests with Mr. Courtney, and only him. Certain members of the board who prefer the Cadillac wished to be stressed that their preference was absolutely no reflection on the Chrysler dealer, but that the people had appropriated money enough for the Cadillac, and when did they did not request either Mr. Courtney or the board of selectmen to go shopping for any bargains. To this statement, Mr. Courtney replied that he did not care what the people thought or said, that he would purchase the ambulance he chose. He further stated that he is used to being criticized and that he can take it, as no matter which vehicle he decides upon he will surely meet with the displeasure of some citizens.

John Eli met with the board to discuss the possibility of leasing a parcel belonging to him in North Wilmington to provide off-street parking. Due to the fact that Mr. Eli was willing to lease his land only for one year, on an open-end contract basis no definite decision was reached.

Mr. Bliss brought up the subject of Mr. Hutchinson obtaining a third class license in an industrial area, which appears to be against the new zoning regulations. It came to light when the board refused to grant a similar license to a man wishing to do business in the same area (Eames St.). Here we must give the board a little credit for admitting their mistake. They stated openly that if any mistakes had been made regarding Mr. Hutchinson's license, they were made by the board of selectmen.

A permit was granted to the V.F.W. to hold a bonfire on July 3 near Jinx on Woburn St. This license also granted permission to the group to conduct children's contests on July 4.

Paul Godzyk appeared before the board to discuss rubbish collection in town. Mr. Godzyk stated that he had 171 requests for his services and that he would begin opera-

### WILMINGTON RECEIVES SALK VACCINE

Patrick Thibau, town sanitarian, announces that the shipment of Salk Vaccine, long awaited, arrived last Friday. As Mr. Thibau and the Board of Health have been working out the details of the program for some time the machinery was all set to go into action as soon as the vaccine arrived and shots were scheduled to start yesterday for school children from the first grade to the fourteen years olds.

Pre-school clinics are expected to start around May 8 and run until about May 17 and will be held at American Legion Hall, at Middlesex and Adams Sts. Post cards will be sent all parents who applied for the shots, about four days before the clinics are to be held. It is planned to do the children in alphabetical order and it is stressed that it is very important for appointments to be kept in order to keep things running smoothly.

As soon as he had 200 customers. He asked permission to use the town dump and was told that the board had no objection to this as long as he complied with the wishes of the fire chief and the superintendent and of the highway department.

A request by the Volunteers of America to conduct a tag day in Wilmington was denied by the board. They felt that Wilmington has drives enough of its own.

A short discussion of the condition on Eames St., was held with no final decision being reached. It was stated that in this area, the mail man had refused to deliver. Mr. Courtney stated that he had been down to survey the situation, but that nothing could be done without signed releases as the town could be sued for trespassing.

Mrs. Dorothy Darling of Eames St., had complained of several large boulders which had been left on her land after repair work had been done on the road. It was stated that these boulders would have to be broken up and carried away.

The meeting adjourned at approximately 11:00.

JOANNE SANBORN  
IS BRIDE

The altar of the Methodist church was adorned with bouquets of lovely white carnations on Sunday, April, 15 at 2:00 p.m. when Joanne Sanborn, daughter of Mr. and Mrs. William Sandborn of Church St., and Clifford Smith, son of Mrs. Blanche

Smith of Main St., stood before it to become united in marriage.

Reverend Harding officiated at the ceremony and Mrs. Staveley served as organist. Soloist was Yolanda Moe, who rendered such appropriate songs as: "Oh Perfect Love", "Because" and "The Lords Prayer".

The bride, given in marriage by her father was beautiful in a full-length gown of white satin and lace with long tapered sleeves and rounded neckline. Her fingertip veil fell from a band of seeded pearls. She carried a bouquet of lovely white roses.

Mrs. Dorothy Bradley of Alexandria, Va., sister of the groom served as matron of honor in a pale pink nylon gown, she wore a matching headress and carried an old fashioned bouquet. Theresa Fortunata of Wilmington,

close friend of the bride served as brides-maid in a blue gown. She wore a matching headress and carried an old fashioned bouquet.

Robert McCue of Wilmington, close friend of the groom served as best man while "Chuck" Sandborn, brother of the bride and John Ingalls, close friend of the groom acted as ushers.

Following the ceremony, a reception was held in the vestry of the church. The mother of the bride was attired in gray with blue accessories, while the mother of the groom chose for her son's wedding a powder blue print dress and pink accessories. She wore a corsage of pink roses.

For traveling the bride chose a navy blue suit with lighter blue accessories. The couple will reside on Main St., Wilmington.

Miss Sanborn graduated from Wilmington High with the class of 1955 and is now employed at Raytheon in Waltham. The groom graduated from Wilmington High with the class of 1950 and served for four years with the airforce. He is now employed by Raytheon in Waltham.

## ALONG THE MAIN STEM

by

Bernie Patterson

### Quote...

Much good work is spoiled  
 by lack of a little more.

### Full up...

It seems that the refuse  
 container in front of the lo-  
 cal Post Office has been fil-  
 led with rubbish for a few  
 months now. Many people  
 are wondering when it will  
 be emptied and whose re-  
 sponsibility it is to empty it.

### Progress...

The new bank and the new  
 Ford agency on Main St.,  
 the Walpole Woodworkers on  
 Lowell St. are nearly com-  
 pleted, it appears to be a  
 race to see who will be  
 ready for occupancy first.  
 We're betting on the new  
 bank.

### Faux Pas...

The party inspecting the  
 jail was escorted by the  
 chief warden. They came in  
 time to a room where three  
 women were sewing. "Dear  
 me," one of the visitors  
 whispered, "what vicious-  
 looking creatures!" "Tell me  
 warden, what are they here  
 for?" "Because they have no  
 other home. This is our liv-  
 ing-room and they are my  
 wife and two daughters,"  
 blandly responded the chief  
 warden.

### Parking problems?

Even a holdup man has

parking problems in Wil-  
 mington. An attempted rob-  
 bery in Chelmsford was nip-  
 ped in the bud recently by  
 two alert women tellers and  
 the police. But...it might  
 have been the bank in Wil-  
 mington and perhaps of  
 more serious nature but for  
 this oddity. The alleged  
 hold-up man did have the  
 thought of robbing the local  
 bank, even driving into town  
 and c'asing the joint' but, he  
 complained, "there was no  
 place to park."

### Suppose...

Maybe the reason the Bos-  
 ton Red Sox made so many  
 errors in the recent Yankee  
 R. S. weekend series in New  
 York was the LUMPE in  
 their infield.

### The Mayor Fine...

Tuesday and a visit to the  
 unofficial Mayor of Wilming-  
 ton, left me feeling much  
 better when I left than when  
 I arrived. George had a cold,  
 an operation, and was faced  
 with another operation the  
 next day. Talking to him  
 one would never guess that  
 what he had gone through  
 was real rough...never a  
 complaint, just praise for  
 the hospital staff at the  
 Lowell General and thanks  
 to his many many friends  
 and neighbors for the many  
 prayers, cards and gifts he  
 has received while (he calls  
 it) resting. George sends his  
 regards to everyone.

#### D. Wilmington Little

##### League Problems:

1. The future of Little League  
 hinges on assistance and co-  
 operation and support from  
 parents, particularly fathers.  
 Last year was disappoint-  
 ing. If we can't find volun-  
 teers for manager, umpire  
 posts (Major or Minor league)  
 and help putting up  
 fence and maintaining field,  
 minor league must be dropped  
 and majors will follow.  
 We can't spend huge sums of  
 money on only a few boys.

2. We are asking for man-  
 agers, umpires and workers.  
 See Geo. Cushing at Kick-off  
 night.

3. Three of four major lea-

gue team sponsors have signed  
 up for 1956. Have one more  
 to find. All minor league  
 team sponsors will be can-  
 vassed.

4. We are asking that all  
 boys having uniforms bring  
 them to kick-off program  
 (Last year's Little League  
 uniforms). Most of them  
 were returned, some of them

Sure, easy way to avoid  
 many possible reasons for  
 regret in realty matters is  
 to retain a REALTOR.

The title REALTOR is the  
 greatest reference a real

 means his character and  
 ability have been found  
 commendable, and that he  
 has bound himself to live  
 up to a strict code of ethics.  
 It means he will go out of  
 his way to guard your in-  
 terests fully and to give you  
 a fair deal.

# DRIVER EDUCATION REGIONAL MEETING— WILMINGTON HIGH SCHOOL, MARCH 27

Through the cooperation of the Wilmington School Committee Members; the Superintendent of Schools, John Collins; Mrs. Mina DeLisle, Cafeteria Supervisor; and Anthony DeLuca, Director of Driver Education, a very well-attended meeting of Driver Education Instructors and Administrators took place on March 27. The meeting was supervised by Eugene Fanning, Registry of Motor Vehicles, Director of Driver Education; George O'Day, Registry of Motor Vehicles Assistant Director of Special Services, Driver Education and Training; Joseph Pritchard and William Mello, Registry of Motor Vehicles, Driver Education Inspectors - Boston Office; and Arthur Burgess, President of

the Massachusetts Driver Education Association.

Those in attendance represented the following cities and towns: Dorchester, Woburn, Reading, Andover, Lawrence, Tewksbury, Dracut, Lowell, Chelmsford, Westford, Billerica, Burlington, Acton, Concord, Sudbury, Littleton, Lexington, Methuen, Danvers, Saugus, Peabody, Beverly, Wilmington, and Manchester, N.H.

The meeting came to order at 3:30 p.m. when Mr. DeLuca introduced himself to the group. He expressed himself as being pleased to be able to be of service.

Mr. DeLuca then introduced John Collins, Superintendent of Schools. Mr. Collins welcomed everyone on behalf of the School Committee and the Wilmington residents. He extended a helping hand to anyone that may desire to see him.

The meeting was turned over to the Director of Driver Education, Eugene Fanning. Mr. Fanning presented very many important points of interest concerning the Driver Education Program. For instance, he indicated:

1. The accidents of all drivers in Massachusetts other than Driver Education students caused \$1,225,000 in damages from January to May of 1955. The accidents caused by Driver Education students resulted in \$40,000 of damages.

2. The National Education Association suggests that Driver Education Courses should include 30 hours of theory and not 20. (Note: Wilmington High School has always offered approximately 75 hours.)

3. Many new laws are to come about with the possibility that only certified instructors may be able to teach anyone to drive. The teaching of driving by parents and others will be outlawed.

4. High Schools offering the program in Massachusetts number 230. Forty Parochial and private schools also offer it.

5. A Committee of Driver

Education Instructors is to be organized to set up 300 to 400 questions concerning the entire Massachusetts law-book. These questions will be made available to all instructors for testing purposes.

6. The Annual Driver Education Convention will held on May 11 in Westfield.

Arthur Burgess, the President of the Driver Education Association, stressed many things concerning the weaknesses of the entire program and how they could be strengthened. He made reference to many publications that instructors could receive free of charge.

Miss Margaret MacDonald, Boston School Department, spoke on how women are entering the field and the success they are having.

Intermission followed. Coffee and doughnuts were served as arranged by Mrs. Mina DeLisle.

A Ford Company film entitled, "Freedom of the American Road," followed the intermission. The film showed the value of highway construction all over the United States - California, Pennsylvania and Massachusetts in particular. Route 128 was used as an example of sensible road construction; it is known as Boston's Golden Highway.

The meeting adjourned at 6:15 p.m. with Mr. Fanning thanking the administrators of the Wilmington Public School System for such fine cooperation.

## SIDE SWIPED ON MAIN STREET

On April 13 at 10:30 p.m. Robert E. Currie of Reading, was traveling north on Main St., and claims he was side-swiped by another vehicle which failed to stop. In trying to avoid being hit, Mr. Currie as he turned onto Lake St., lost control and went through a hedge on the property of Mr. Simes at the corner of Main and Lake St. Some damage was done to the hedge and other shrubs. Officers Markey and Dolan investigated.

## FIRST TRAP SHOOT— STAG SPORTSMEN'S CLUB HELD AT WILMINGTON— APRIL 15

The Stag Sportsmen's Club of Wilmington successfully completed its first of a series of Trap Shoots at Jink's Sand Pit, off Woburn St., in Wilmington, on this past Sunday and although it was a raw and windy day 15 good sturdy shooters participated against the traps and the elements.

The Top five participants and their scores are listed below for comparison: G. Wade, 19/25; J. Surette, 17/25; J. Putnam, 17/25; H. Blair, 16/25 and H. Kelly, 16/25.

Coffee, Hot Dogs and Cupcakes were on hand at the refreshment stand and was more than a welcome addition and it was suggested that this practice be continued with our shoots until warm weather cancels out the hot coffee.

Remember this was only our first of a series of weekly shoots. ALL ARE WELCOME.

## WINCHESTER HOSPITAL OPEN HOUSE MAY 6

Winchester Hospital this year will hold its Open House on Sunday afternoon May 6, from 2 to 5 o'clock. The people of Winchester & surrounding communities are all invited "to come and see us," said Gilbert H. Hood, Jr., the Hospital's president, in announcing the coming event.

"Our Open House Day," Mr. Hood noted "will be the first day of National Hospital Week. It seems an especially appropriate time to give the people of this suburban area the Hospital serves, an opportunity to become better acquainted with us and we with them. We hope that among our many visitors will be the people who have newly come to live in our community."

Pointing to the Hospital's growing service to the community, Mr. Hood said that the number of patients admitted last year reached nearly 5000. It was the largest number in the Hospital's history and some 200 more than in the preceding year.

As at former Open Houses at the Hospital, visitors on May 6 will be able to make tours through the wards and principal departments. The guides for these tours will

## HOSPITAL AIDES WILL BE TRAINED

The Winchester Hospital announces the formation of another class for the training of Hospital Aides. This is the fourth class to be trained at the Hospital, and said Harlin L. Paine, Jr., the Administrator, these training programs have been very successful. Not only have the graduates proved of great value to the Hospital but those girls who have completed the training here all indicated that they found the training invaluable and the work most satisfying.

The class which will start on May 14th is open to girls 18 years of age and over who have had at least two years of high school. Students will be paid while going to school and upon their graduation will be eligible for positions in the Nursing Department of the Winchester Hospital.

## VANDALS IN WILMINGTON

At 5:00 a.m. on April 14, Leo Ingini of Ballardvale St., reported to Officer Ellsworth that malicious damage had been done to his property on Friday evening, his clothesline had been cut, his duck killed and a bale of hay stolen. ## GET A PERMIT BEFORE YOU BURN

Now that the snow has gone and we have had a few windy days, the brush fire hazard is again with us. Chief Boudreau requests that you obtain a permit before igniting any outside fires. Several times last week firemen were called out to fires which were started by careless incineration. Please be careful and if a fire should get away from you, call the fire dept. first, before it becomes disastrous.

# ROGERS - BRADY NUPTIALS

St. Thomas' Church was the scene on Sunday, April 15 at 3:00 o'clock of a lovely ceremony at which Miss Dorothy Marie Rogers, daughter of Mr. and Mrs. William Rogers of Fenway St. became the bride of Eugene Francis Brady, son of Mr. Dorothy Brady of Elm St., Pinehurst.

Rev. John Regan officiated in front of the altar decorated with white lilies. Mrs. Estelle Shelley rendered the organ selections and sang Ave Maria.

The bride, who was given in marriage by her father, wore a gown of white satin, with a lace bodice fashioned with long sleeves and a tiny stand up collar, tulle overskirt with lace inserts, and a chapel length train. A tiny crown of lace with seed pearls and sequins secured the finger-tip veil of illusion. White orchids, roses and carnations made up the bridal bouquet.

Miss Rose Marie Ballentine, sister of the bride, served as Maid of Honor, wearing a waltz length gown of blue embossed crystallette and a tiny blue headpiece of velvet. The Miss Judith Rogers, sister of the bride; Miss Marjorie Reardon, cousin of the bride, and Miss Joanne Brady, sister of the groom, were the bridesmaids, attractively attired alike in pink crystallette and small veiled hats of pink flower petals, studded with seed pearls. They carried bouquets of pink and blue roses and carnations, and wore elbow length white gloves.

Serving as best man was a friend of the groom, John Bernat of Stoneham. Ushers were David Ballentine, cousin of the bride; Vincent Carbone; and Frederick Ingersoll of Pinehurst.

The mother of the bride was attired in blue crystallette, with a white hat and blue accessories, and the mother of the groom wore black with white hat and accessories. Both wore mixed corsages of orchids and carnations.

Zachery Minichello and his orchestra of East Boston provided the music at the reception which was held at the Riverview in Tewksbury. Over a hundred guests signed the guest book, which was presided over by Miss Georgietta Barron of Malden.

As the couple left for a motor trip of New Hampshire and Maine, the bride wore a pale blue suit with

pink accessories. Mr. Brady, who is currently serving with the Air Force is due in Brooklyn, N. Y. on Friday, from where he expects to leave for England.

The bride graduated from Wilmington High School last year, and is employed by the American Mutual Insurance Co. in Boston. Mr. Brady attended Billerica schools before entering the service. The couple will reside on Fenway St., Wilmington.

## SPRING M.L.S. MEETING

The Eastern Middlesex Board of Realtors held their Spring Multiple Listing Service meeting at Ship's Haven, Lynnfield, Monday, April 16 with more than 50 members and guests present. The meeting opened with a social hour and dinner.

The business session was called to order by Chairman Edward F. Homer of Stone-

ham. After introducing the guests, Mr. Homer invited the Board of Realtors' President James Pavao, Jr. of Woburn to introduce the guest speaker of the evening Spiros Karavedas, Chairman of the Greater Salem Board of Realtors who spoke on "The Successful M.L.S." Mr. Karavedas brought up many points of interest of past success of this public service on the Salem Board and other Boards throughout the country. Mr. Karavedas also said, "M.L.S. is progressing rapidly." In Eastern Middlesex alone, there have been 120 homes listed since November 1955. Nearly 50% have been either sold or are under agreement which total to nearly one half million dollars in sales through the Multiple Listing Service. These facts prove that M.L.S. benefits buyer, seller, and Realtor.

## ROTARY NEWS

The speaker at Rotary on Wednesday, April 11, was John Rockett, president of the New Products Development Corporation. In a brilliant address he called attention to the increasing demand for new products, which is matched by the increasing difficulty of getting new inventions marketed. This plight of inventors led Mr.

Rockett to organize a clearing house, to which inventors are turning in large numbers and the enterprise has already met with tremendous success. Its originator exemplifies American ingenuity and initiative at their best.

A further check-up was made on the annual Ladies Night event, which took place at Robin Hood's Ten Acres on April 18th.

The President-elect Herbert Pickering has called a club assembly for the evening of April 25th, to be attended by officers and committee chairmen for the New Rotary year, commencing July 1.

The board of directors laid plans for the creation of a budget committee, and will recommend to the members that the club dues be revisited upward for the new Rotary year.

A poll has been taken of the readers of "Linn's Weekly Stamp News", and the eight cent Rotary stamp was voted the best designed United States commemorative stamp of 1955. This stamp was issued in connection with the Golden Anniversary of Rotary.

### FIRST AID COURSE TO BE GIVEN

The latest step in Wilmington's new Civil Defense set-up is a series of First Aid courses to start on May 1 and be held on Tuesday and Wednesday nights at American Legion Hall for five

weeks. The course will be given by Mr. Seddon, who has given courses to the police and fire departments. About forty persons have signed up for this course already, among them the civil defense wardens.

Anyone else who might be interested in taking such a course is advised to contact Mrs. Mary Quindland at OL 8-3292. These courses are open to the general public as well as those working in CD.

Mr. LaRivee also advises us that he is still looking for stenographic help, as there is a great deal of paper work involved with this program, as anyone who has dealt with the government will be aware, so here is a chance for you girls to see if you're still as good with the pencil and typewriter as you were before dishes and diapers. Mr. LaRivee's number is OL 8-3556.

### MORE LIGHT BULBS TAKEN

On April 19, a complaint was made to police by the owner of Jim's Variety Store

on the corner of Shawsheen Ave., and Hopkins St. that someone had been taking light bulbs from in front of the store. On one occasion 21 bulbs were pilfered and on another 3 had been taken. Police are investigating.

### WASHOUT ON SHAWSHEEN AVE

On April 19, Alden Eames of Shawsheen Ave., reported that the road between his house and the West School was washed out. Car 32, Officer Shepard stood by until

James White arrived with a flare. The hole was reported to be approximately two feet across and three feet deep.

### MISSING PERSON

Elizabeth Albowitz of North Street, was reported missing by her parents at 12:10 a.m. on April 19. She had been away from home since approximately 7:00 p.m. on the evening of April 18. Miss Albowitz was located in Cambridge and returned home. Officer Fuller investigated.
